Signature of Applicant: \_\_\_\_\_

The College Acres Public Works District has given a free 95 gallon garbage container to each household within the District. Residents may supply a second garbage container that works with the garbage truck lifts. The District has imposed a two (2) container limit per address on garbage containers. The resident can request more than two garbage containers for a monthly garbage fee of \$3.50 per month. If you want more than two garbage containers, please fill out the form and submit the form with your utility bill. .

**Important:**

Any garbage containers over two (2) will require a permit from the District or the extra garbage will not be collected by the District.
